## Product Development

With our 6 simple steps in new product development process, US Motor Works sits in the driver's seat when it comes to quick and precise product development. From product definition to design, production planning and preparations, prototype production and final production run, it's a mere 120 days or less. US Motor Work's OPEX mentality enables us to be on the leading edge of product development.

## 5 Facilities

US Motor Works operates from four U.S. locations, providing both manufacturing and distribution services to customers around the globe. Our Midwest Fulfillment Center in Liberty, Missouri ensures fast, efficient delivery across the region, while our full-service manufacturing and distribution facility in Monterrey, Mexico supports not only the Mexican market, but also customers throughout South America, the Middle East, and Europe.

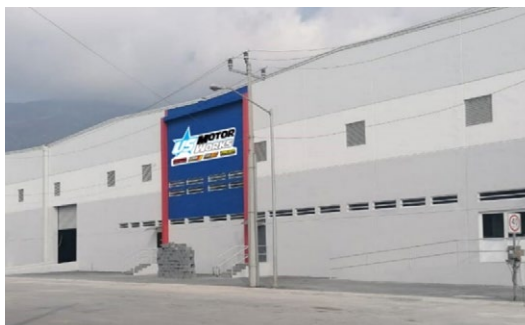

US Motor Works Headquarters, 100,000 sq. ft.

Midwest Fulfillment Center & FP Division 167,000 sq. ft.

Performance Division, 50,000 sq. ft.

Mexico Manufacturing & Distribution, 135,000 sq. ft.

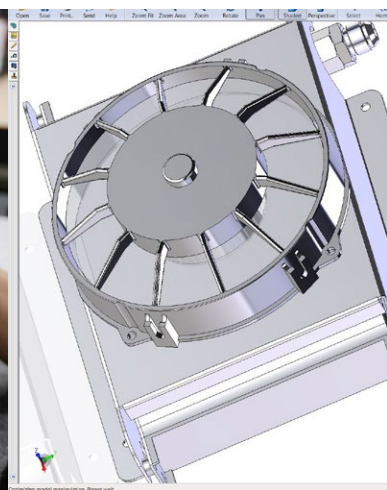

OSC East Coast Distribution Center, 100,000 sq. ft.

## A.E.T.S. Advanced Engineering & Technical Support

US Motor Works has created an engineering and technical environment from the design process to the final production product. Starting with CAD/CAM 3-D projections, computerized testing, a complete manufacturing plan and ending with a reliable distribution network. US Motor Works is able to track and control all related design, quality processes and packaging with specifications and manufacturing excellence in mind.

## Manufacturing

Our State-of-the-art manufacturing utilizes our four principles; Supply Chain (improved flow), Quality Management (robust quality assurance), Production (pull & flow and 5S) and Measurements by KPI's (Key performance indicators). With these manufacturing principles and our continuous improvement ideology under the OPEX umbrella, US Motor Works continues to be the front runner among the industry leaders.

## In-House Marketing & Graphic Design

Our In-house marketing and graphic design department helps to ensure our branding is at the forefront of the automotive industry. Working closely with category managers allows us to create powerful advertisement campaigns, marketing sales tools and educational pieces.

Along with the printed media, our team also works on a digital platform via brand specific websites, videos and social media. Through social media we are able to connect with the end users and get genuine testimony of our products, thus making each brand recognizable and a name they can trust.
